United States Census 2020

By April 1, 2020, every home will receive an invitation to participate in the 2020 Census. Once the invitation arrives, you should respond for your home in one of three ways: online, by phone, or by mail.

Broadband in West Point

The Town's Broadband Committee has gotten to the testing phase of a project that will provide true broadband to all residents of the Town of West Point. We are currently planning to launch a West Point Rural Broadband Cooperative sometime in 2020.

West Point Rural Broadband Cooperative will provide access to the internet using a network of small transmitters and receivers. The equipment is relatively inexpensive, easy to install, support and upgrade. This network will offer true broadband at the highest speeds available in West Point.

We will soon have a page on our website www.townofwestpoint.us dedicated to this project making it easier to follow our progress.

Transfer Site/Recycling Center

All West Point residents and property owners utilizing the Transfer Site are required to have a Transfer Site Permit. The permit must be placed on the driver side dash and be visible for inspection by Transfer Site employees. Permits are available at the Town Hall.

Construction dumpsters are available during the months of May and September only. Dumpster use is on a first come first serve basis. The Ag & Silage Plastic dumpster is available at the Transfer Site year round. For complete information on recycling rules at the West Point Transfer Site, please visit our website at www.townofwestpoint.us/community/garbage-recycling/.
